(March 24, 2004 TROY) The City has scheduled an initial meeting concerning Earth Day for this coming Wednesday, March 30<sup>th</sup> in the Mayor's Office Conference room at 6:00 p.m.

The purpose of the meeting is to set up a contact and project list for Earth Day. This year's cleanup and celebration will be April 30<sup>th</sup> and May 1<sup>st</sup>. The City is again sending out mass e-mails and letters to potential participants in hopes of increasing participation during Earth Day.

If residents are unable to come March 30<sup>th</sup> for the meeting, they can call Deputy Director of Public Information Jeff Buell to sign up for a project. Buell can be reached at 270-4554.

Any and all ideas for projects are welcome, but the City will stress a grass roots campaign for getting the word out about the cleanup. The Alamo, located in South Troy, will also be open on Earth Day.

"We had terrific success with an expanded Earth Day cleanup last year, and we are looking for similar results this year," Mayor Harry Tutunjian said. "We encourage all residents who care for the City of Troy to get involved in any number of projects that will be scheduled."

The Troy Record has agreed to publish an updated list of the projects in its weekend paper from now through Earth Day.
